

Jetboating, Thermal, Nature
Must Squeeze, Must Do!

THE SQUEEZE

The adventure begins with a scenic jet boat ride through Tutukau Gorge. Sit back and take in the remarkable landscape, learn the history and legends of the area and enjoy an abundance of unique wildlife.

Just when you thought you had an easy day ahead, your driver asks you to disembark the boat in knee deep warm water. You head towards a narrow gap in the cliff face ahead of you and start the challenge of The Squeeze.

After maneuvering your way through narrow crevasses, climbing boulders, and wading through warm waist deep water you emerge in stunning native New Zealand bush. Immerse yourself in the environment and take the opportunity to soak up the atmosphere while relaxing in the thermal waters of a naturally heated bathing pool. While 'squeezing' your way back to the boat, prepare yourself for the action packed ride ahead of you.

Hang on tight and enjoy all the thrills, excitement, speed and spins you would expect from the Hamilton jet. This adventure will challenge, excite and create fantastic, everlasting memories.
