**Indian School Certificate
Examination (ISC)
(2020-2022)**

Knowledge is Strength Supreme

*This emblem is representative of the School's philosophy.
It is a visual statement that defines at a glance the credo of the school.
The design of the emblem is hexagonal, as is each classroom in the school.
The flame burning steadily in the lamp stands for the shining light of knowledge and human values that every student should embody.*

Our Mission

Jamnabai Narsee School wishes to inculcate in its students:

A desire to achieve excellence in all areas of endeavour.

Respect for all forms of authority and for fellow students.

Concern for the needs of others, and consideration for the less fortunate.

Awareness of the environment and of their responsibility to conserve it.

Knowledge and appreciation of India's cultural heritage with a special

emphasis on the culture of the community in and around the school.

Empathy, with the spirit to embrace global diversities,

Readiness to face fearlessly all the problems and

challenges which tomorrow's world will bring them.

And above all

An abiding faith in the Almighty, and in His grace

to attain the highest standards possible.

THE INDIAN SCHOOL CERTIFICATE EXAMINATION (ISC)

The Council for the Indian School Certificate Examinations was established in 1958 by the University of Cambridge Local Examinations Syndicate with the assistance of the Inter-State Board for Anglo-Indian Education. It is registered under the Societies Registration Act No.XXI of 1860. The Council conducts the Indian Certificate of Secondary Education and the Indian School Certificate examinations.

The Indian School Certificate Examination has been designed as an examination, through the medium of English, in accordance with the recommendations of the New Education Policy 1986, after a two-year course of studies beyond the Indian Certificate of Secondary Education (Year-10) Examination or its equivalent.

AN ICONIC INSTITUTE OF LEARNING

Founded in 1971, Jamnabai Narsee School stands as a powerful edifice of academic excellence and outstanding contribution in the fields of sports, art and concern for the community. Reflections

ISC Batch 2019

At Jamnabai Narsee School, learning is not limited to the classroom. There have always been a plethora of opportunities like EUMIND, IAYP and AWS. Class was more an interaction than a lecture-with an emphasis on healthy discussion and interactive learning. My teachers have had a profound influence on me and ignited my interest in subjects that were new to me and I had never learned before. In the short span of two years at Jamnabai Narsee School, I have learnt to work collaboratively, think critically and love learning beyond the textbook

MARYANNE RODRIGUES

2nd in Maharashtra (Humanities Stream) Ashoka University

One word for my journey in this institution: incredible! Looking back at what I gained from Jamnabai, I fall short of words. Not only did the school prepare me well for academic rigour, but also moulded my personality to face the world as a confident person. Especially these two years, where the biggest advantage I had, was the opportunity to meet such a diverse batch. It was an enriching experience to interact with amazingly talented people, who really helped me shape my personality and motivated me to make the most of this opportunity!

SRUSHTI NANDU

2nd in Maharashtra (Science Stream) Rutgers University

Jamnabai Narsee School has been a home away from home. It was here that I learned the values that have moulded me into a person who is now ready to work towards fulfilling his goals and potential. The support which I received from the management, teachers and my peers is something I will always be grateful for. As an ISC Representative I got an opportunity to conduct and take part in a host of curricular and co-curricular activities which has contributed towards my overall personality development.

DHRUV BROKER

pursuing Chartered Accountancy and B.Com. from HR College

Entering through the main gate of a new world, nervous, excited and eager to meet new people and looking forward to the new opportunities to explore, little did I know of what was lying ahead of me. These two years at Jamnabai Narsee School have been as eventful as they could be. From participating in the Annual World Summit to moderating a committee and organising the Cascade to balancing the academic rigour have made me ready to face the corporate world. This school has provided me with memories to cherish for a lifetime. I am grateful to this school for making me a sincere and responsible individual.
