

EMILY'S — BYRE —

The Scottish have been influenced by Indian cuisine and spices for centuries, with recipes brought back by soldiers in the Scottish regiment. Due to this fondness for Indian cuisine, at Emily's Byre we are proud to bring to you delicious, authentic, Indian dishes with an emphasis on 'Northern Frontier' specialities. All our food is prepared with the freshest of produce sourced from local purveyors. Our fish is from Tain Stewart, meats from Stewart MacLachan of Lochaber Larder and ice creams from Luvians in Perthshire. Fine herbs and vegetables are sourced from Breckenridge. Housed in an original 1840's old byre (cowshed), Emily's is a rustic farmhouse with a cozy bar, where local diners and foreign travelers can have a real good time!
