# Rokeby

Manor

Rokeby Manor is situated in the village of Invergarry, with beautiful walks right from the front door!

Wander through woodland by the River Garry, or venture up to Loch Lundie for views across the Glen.

## LOCH LUNDIE TRAIL

The route begins opposite Glengarry Community Hall. Look out for the path between two cottages going gently uphill.

At a T-junction in the track head right. After passing under pylons, take a left at the next junction.

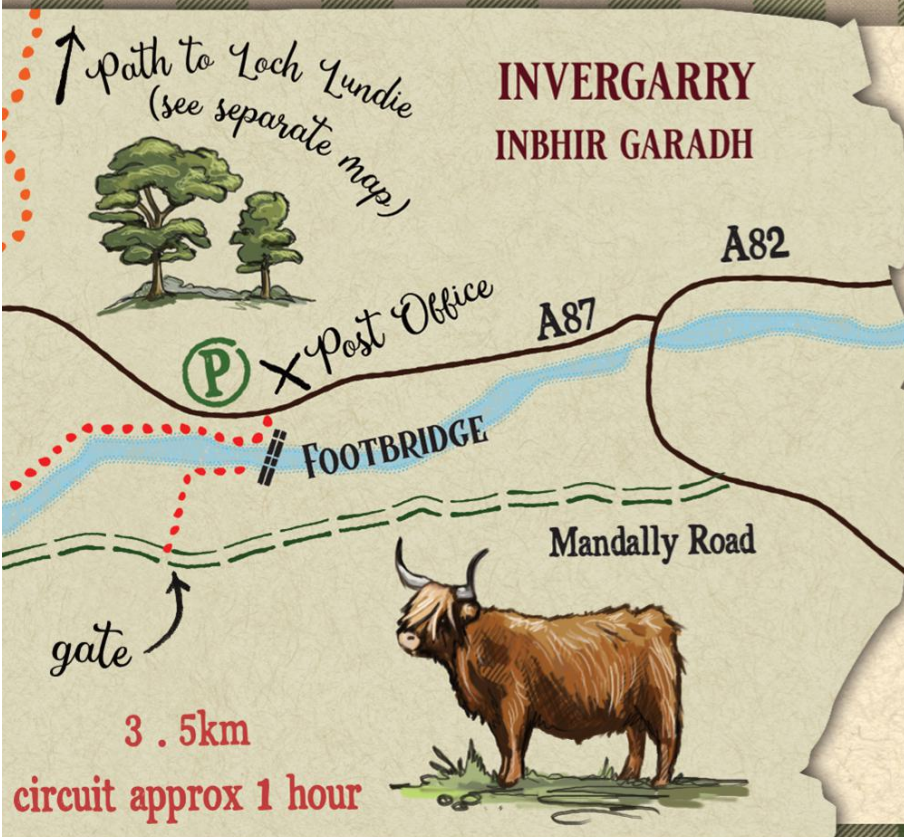

Soon you will arrive at Loch Lundie! What views!

Retrace your steps back to Invergarry. A longer route can be completed - rougher & wetter, good boots required!

## RIVER GARRY TRAILS

From Rokeby Manor, Take a left back towards Invergarry along the main road (footpath). Find the River Path entrance beside the Post Office. The path is well marked. Be careful of tree roots! It is possible to walk a loop via Mandally Road, which is a quiet single track. Look out for the gate (close it behind you!) which allows you to return via a field to the post office, crossing the footbridge.

Welcome to The Cluanie Inn!

Walk in the footsteps of the drovers on the old road, or enjoy the sunset & sunrise from the path on the hill.
